How We Work

WHEN BIG DATA MEETS DIGITAL STRATEGY

Through media monitoring tools, we can identify both threats and opportunities related to your brand. This allows us to formulate effective digital strategies and deliver relevant communication solutions. At the end of the campaign, we generate intelligence analysis using media monitoring tools to measure the overall effectiveness of your brand campaign during a specific period.

Our services

01

Strategic Communication

- Public Relation
- Media Management
- Issue Management
- Government Relation

02

Digital & Creative

- Social Media Management
- Content Strategy & Development
- Web & Apps Development

STRATEGIC COMMUNICATION

Media Management

In an information-driven world, effective media management is essential. We help you build and maintain strong media relations, deliver messages effectively, and ensure positive news coverage.

Scope of Work

- Media handling
- Media Buying & Placement
- Media planning

STRATEGIC COMMUNICATION

Issue Management

A crisis can strike without warning and a swift and effective response is crucial to minimize its negative impact. Our team is equipped with the knowledge and expertise to manage sensitive issues, protect your reputation, and rebuild public trust.

Scope of Work

- Agenda setting & narrative
- Online reputation management
- Consultation

STRATEGIC COMMUNICATION

Government Relation

The government, as the policymaker, often lacks a clear understanding of how businesses operate. Meanwhile, companies don't fully grasp how regulations work. Effective communication between the two parties is essential to ensure that business operations run smoothly while also helping to shape public policy.

Scope of Work

- Operating system intelligence management
- Human intelligence management
- Workshop
- Consultation

STRATEGY BRANDING & MARKETING

Brand & Market Research

Deep knowledge of the market and audience is the key to smart decision-making. We provide comprehensive brand and market research services to help you understand industry trends, consumer behavior, and market opportunities.

Scope of Work

- Online survey management
- Social media listening
- Media monitoring

Our Happy Clients

A wide-angle photograph of a city skyline at sunset. The sky is filled with a mix of blue and orange clouds. In the foreground, there are many lower buildings and some greenery. The middle ground is dominated by a dense cluster of skyscrapers of various heights and architectural styles, with some buildings reflecting the warm sunlight. The overall atmosphere is vibrant and modern.
